WELCOME TO THE BC COASTAL SOCCER LEAGUE

If you are not already aware, the Lower Mainland District Chairs have agreed to amalgamate all eight districts into one League to be named the BC Coastal Soccer League and will begin with the 4-District and 5-District boys in September of 2017. This will be a season of transition and more information will be forthcoming.

U-13 to U-18 Gold teams will be scheduled to play with the eight (8) districts.

U-13 to U-18 teams in levels below Gold will be scheduled to play geographically.

Note: We will be using Gotsoccer for our scheduling and the link will be circulated in advance of the season to all Districts who will forward it to their clubs.

The following is only a brief overview. Every District, Club, team official, game official and player shall uphold the rules and are subject to the authority of the published policies set out by BC Soccer (BCSA), FIFA / IFAB, CSA and the BC Coastal Soccer League.

Ignorance of the contents of this Guide or lack of understanding of the rules is not an acceptable defense. **Soccer is a game; it is for fun.** Parents, spectators and team officials should stay in the background.

The **Divisional Liaison** is your main contact. They will phone or e-mail you with schedule or game changes; track down any missing scores and / or investigate any discrepancies in reported scores.

U-11 to U-18 Schedules as well as official standings for U-13 to U-18 will be available as communicated. There will be no standings published for U-11 or U-12.

Teams should expect to play their games on Fridays, Saturdays or Sundays. However, some teams may play home (League and/or Cup) games at night. Check your schedule.

All divisions may be realigned. The League Schedulers will hold a meeting the Monday before Thanksgiving. Teams that are badly out of place will be moved up or down depending on the results of the games played up to Thanksgiving. A revised schedule and standings table will be issued the 2nd weekend after Thanksgiving. See Changes to Leagues on Page 7.

The League Cup starts in October for U-13 to U-18 teams. Rounds will take place on weekends designated in the schedule in January and February. League games for

teams involved in Cup play those weekends will be cancelled. See Cup Play and the Rules on Page 15.

New teams entering the League after Thanksgiving movements have been made are not eligible for Cup play as BCSA rules state that players must have played at least one League game before participating in Cup. See Page 8, Registration.

There is an **alternate gravel field** allocated for each grass field. If the main field is not playable, games **must** be played on the alternate field if the referee determines that it is playable.

Schools and parks must be kept clean. Take home your half-time refreshment debris.

The Home team must contact the opposition not less than 48 hours before each game to make sure both teams go to the right field at the designated time. Failure to do so may result in a forfeit. Away teams should make the contact if they have not heard from the opposition.

Home team must confirm changes to published details immediately.

If a team is unable to fulfill its game commitment both phone calls and emails, must be placed within 48 hrs of the scheduled game to each of the opposition's team officials listed on the 4D website. If you have not received confirmation by the day before your game you must re-contact to avoid a fine and field costs. If neither team makes contact the game will be recorded as a double forfeit.

Only play players registered to your team. Cheating by playing ineligible players will lead to forfeits and serious discipline. The only exception is a player who is playing on an Intra-Club permit.

Supply and get team lists at each game. Use the blank at the front of this Guide. Fill in all the details and sign the form. Before the commencement of the game give two completed copies to the referee, and ask for your copy of the opponent's list.

BCSA Photo ID cards. See Page 9 for particulars.

Make sure players and spectators are aware of the red card offenses and that ejected players or expelled team officials who are reported for misconduct are not to take part in the handshake. See Discipline on Page 18.

Dissent from team officials, players or spectators is unacceptable. There will always be calls you disagree with;

everyone has to learn to accept that aspect of sports. Do not question calls, or badger or harass referees during or after the game. This is a "zero tolerance" issue. Any abuse of referees will lead to discipline by BC Soccer.

The onus is on everyone to put an immediate stop to any racial slurs or derogatory commenting.

Referees are in charge of the game. They are trained and assessed to develop their skills. They need each team's support and respect in carrying out their duties. See No Referee for a Game on Page 14.

Team officials are responsible and accountable for the behaviour of parents and supporters. Where field configuration permits, both teams' officials and their players must stand on one side of the field while both teams' spectators will stand on the opposite side of the field.

Where field configuration does not permit spectators must not stand behind the technical area.

It is the team officials' responsibility to make sure this requirement is met.

Speak to your fans before the referee has to request you to do so. If requested by the referee to control sideline behaviour, a team official could be reported for failing to use best efforts to comply with this request.

Games cancelled for weather or other reasons will not be made up. Field space is limited; to allow teams to play a maximum number of games, the League does not set aside additional time for make-up games.

Win or lose the home team will enter the score on Gotsoccer **by Sunday night** latest of each scheduled game weekend.

Within 48 hours of the game, it is the responsibility of the away team to make sure that the reported score is correct.

If neither team reports a score, it may be recorded as a double forfeit.

CODE OF ETHICS

Harassment

All participants in soccer will ensure that all activities are free from harassment and have responsibility to refrain from any behavior that constitutes harassment, where harassment is defined according to the Canadian Human Rights Commission as a form of discrimination that involves any unwanted physical or verbal behavior that offends or humiliates. Generally, harassment is a behavior that persists over time. Serious one-time incidents can sometimes also be considered harassment.

Discipline sanctions vary from a verbal apology to expulsion from membership.

Inducement

Inducement refers to situations where a team, through its responsible officers or representatives, attempts to induce a registered player of any team under the jurisdiction of the League to leave his team before completion of his team's League or Cup commitments have been fulfilled and the defined season is completed.

Complaints of team officials inducing players from one club to another in the same District will be dealt with by that District's Board.

Inducing players between one District and another District will be dealt with by BC Soccer.

Fair Play Handshake

FIFA / IFAB's Fair Play Handshake policy directs teams to have a pre-game hand shake as well as an end-of-match handshake.

The pre-game handshake will be organized by the team's officials or team captains.

Any post-game handshake is at the discretion of the teams, however, the atmosphere of the match should be considered before engaging.

Teams reserve the right to decline a request and the referee can continue his/her duties until s/he leaves the field and its immediate surrounds.

Team Officials & Spectators

Remember that children play organized sports for their own fun. They are not miniature professionals.

Be on your best behaviour. Don't use abusive, insulting, profane language or gestures or harass players, team officials, game officials or other spectators.

Applaud good plays or attempts by your own team as well as the visiting team.

Show respect for your team's opponents, without them there would be no games.

Never ridicule or scold a child for making a mistake during a competition.

Condemn the use of violence in all forms.

Respect the officials' decisions.

Always encourage players to play according to the rules.

Provide a healthy atmosphere for children to build both athletic and life skills.

Children model their behaviour after the adults who care for them and they often learn more from what they observe than what they are told.

It is important for adults to set a good example.

Stay off the field.

COACHES

Expectations

The team personnel-athlete relationship is a privileged one and plays a critical role in the personal, sport, and athletic development of the athlete. Team personnel must recognize the power inherent in the position of team personnel and respect and promote the rights of all participants in sport. This is accomplished by establishing and following procedures for confidentiality (right to privacy), informed participation, and fair and reasonable treatment. Team personnel have a special responsibility to respect and promote the rights of participants who are in a vulnerable or dependent position and less able to protect their own rights. Team personnel must also:

1. Ensure a safe environment by selecting activities and establishing controls that are suitable for the age, experience, ability, and fitness level of the involved athletes;
2. Prepare athletes systematically and progressively, using appropriate time frames and monitoring physical and psychological adjustments while refraining from using training methods or techniques that may harm athletes;
3. Avoid compromising the present and future health of athletes by communicating and cooperating with sport medicine professionals in the diagnosis, treatment, and management of athletes' medical and psychological treatments;

4. Provide athletes (and the parents/guardians of a minor) with the information necessary to be involved in decisions that affect the athlete;
5. Act in the best interest of the athlete's development as a whole person;
6. Respect other team personnel;
7. Report any ongoing criminal investigation, conviction, or existing bail conditions, including those for violence, child pornography, or possession, use, or sale of any illegal substance;
8. Under no circumstances provide, promote, or condone the use of drugs other than properly prescribed medications) or performance-enhancing substances and, in the case of minors, alcohol and/or tobacco;
9. Respect athletes playing with other teams;
10. Not engage in a sexual relationship with an athlete under 18 years old, or an intimate or sexual relationship with an athlete over the age of 18 if in a position of power, trust, or authority over the athlete; and
11. Dress professionally, neatly, and inoffensively; and use inoffensive language, taking into account the audience being addressed.

Player Development

Develop the child's appreciation of the game and experience the thrill of participation.

Keep a proper perspective on winning and losing.

Be sensitive to each child's developmental needs.

Allow players to experience all positions.

Players need to have fun and receive positive feedback.

Practice should be conducted in the spirit of enjoyment and learning in order to build their self-esteem.

Please Remember

"These are kids.

This is a game.

Team officials are volunteers.

Referees are human.

Everyone wins with respect.

And, the first priority is to have fun!"

BC COASTAL SOCCER LEAGUE

COMMUNICATIONS

General

The BC Coastal League meets the second Monday of most months. Each District appoints one representative and an alternative. Districts are entitled to one vote each.

No member of the Board shall vote on any matter directly affecting him/herself or any team s/he is involved with.

District Chairs' meetings will be held in January and June as communicated.

Each District Chair, or their respective designate, will vote at the June meeting to adopt the rules for the upcoming season.

The League may, from time to time, make rules not provided for in the Guide.

Affiliation fees invoices are distributed to each District in October and are due November 1st.

Communications will only be accepted from registered team officials, Club Presidents or District Chairs. Fully identify yourself by including your District, Club and Team name, Division and League section.

If you have a concern of a general nature, which you feel should be brought to the attention of the League, please write to:

League Secretary

TBA

Correspondence to the individual member districts of the League should be directed to their respective District Secretary.

Complete contact lists for each District can be seen on pages 36 to 43 and on the individual District websites.

League Schedulers

Each member District provides one person to collect their District's team affiliations, allocate playing fields and pairings, etc. The League appoints a Head Scheduler and a Scheduling Secretary who would be a neutral person and reporter to the League Board. These people comprise the Scheduling Committee.

U-11 to U-18 GENERAL INFORMATION

The Youth Soccer League operates under the Constitution, Bylaws and Rules and Regulations of BC Soccer.

The eight Districts involved in the League each have a Youth Soccer Association that is responsible for the general operation and promotion of soccer within its respective geographic boundaries, while the League is responsible for League alignment, discipline and game scheduling.

All affiliated youth teams are entitled to full participation in the League. The League will not accept any attempted forfeits of away games in Bowen Island, Squamish, Whistler, Sunshine Coast, Pemberton and Districts to the far East of the Lower Mainland. Any team who forfeits will be penalized in accordance with Page 21.

The League does not schedule "friendly" or "exhibition" games.

Intent to Play

By July 15th, Clubs must have submitted to their District Scheduler their list of viable teams for the season. Each entry must have a team name and two contacts and contact information for the website by this time and at least the minimum number of players registered. Do not project that teams may exist. Teams must have a team name – no TBAs will be accepted. No changes to team names will be accepted after July 15th.

Teams may be added after July 15 if doing so removes a bye. Byes will not be created in groups just to accommodate a late-entering team or a team that has been formed as a result of other teams in that District folding.

In order to make League sections as competitive as possible, include as much information as you can to assist the Schedulers.

Consistent with BC Soccer rules, full teams of under-aged players cannot play up a division.

The first weeks of play are not meant to try out a new level of play. The level of play should have been determined beforehand.

The onus is on the clubs and Districts to ensure the teams are entered into the proper League section before the schedule has been published. Only teams that are deemed to be seriously out-matched will be promoted or relegated. See Page 7.

Where an organization submits more than one U-11 team, U-11 teams from that

source are to be balanced, for example of approximately equal strength.

Even though the teams are designated Red, White or Blue, and they are not tiered according to strength, the League considers them to be the highest caliber of play for that age group, therefore, there will be no permitting within League U-11.

A team made up of U-11 birth-aged players is not permitted to play in a program/division/league with teams made up of U-12 birth-aged players. BC Soccer does not endorse a team playing at an age category higher than the age category determined by the birthdate of the team's players.

A Club may not enter teams in an age group with the same name even if differentiated by a number.

More Than Five (5) Ex-MSL / BCSPL Players

Teams wishing to register more than five players who played for the MSL/BCSPL in the previous season will require specific permission of the League, with the proviso that no more than three may come from the BCSPL.

District approval must be obtained first and then a written request must be submitted by the District to the League **before their June meeting**.

Written request must include the division, team name(s) and standings, the coaches' name, Registration returning players from the previous season, the name of the ex-MSL/BCSPL players and the rationale for adding more ex-MSL/BCSPL players.

The same process must be followed at any time before or during the season if by adding an ex-MSL/BCSPL will put a team over the limit of five (5).

Teams found not to have received permission to register more than five (5) former MSL / BCSPL players for the season will have forfeits assessed for all games played to date.

Scheduling - Leagues

Where the number of teams allow for it, the League offers three levels of play, namely "Gold", "Silver" and "Bronze".

While most teams will be entered into the requested League section, final placement will be determined by the schedulers based on all information available to them at the time.

To allow better competition among limited numbers of teams, U-17 and U-18 Gold divisions may play in interlocked leagues based on their playing level. Teams in

which all players qualify as U-17 age can declare themselves as a U-17 team, while teams with one or more U-18 aged players must enter as U-18.

For purposes of Provincial Cup Rules, a team declared as a U-17 team at the commencement of the season can only play in the Provincial Cup at the U-17 age level. Teams entered as U-18 at the commencement of the season can only play in Provincial Cup at the U-18 age level.

The Board may promote or relegate teams that are improperly placed in a League.

Divisional Liaisons

Prior to the beginning of each season, Divisional Liaisons will be appointed for each division. These individuals ensure teams are contacted regarding their games and schedule changes. See the Welcome page for additional information.

In all cases, the Divisional Liaison works through the Scheduling Committee, and is the link between individual teams and their section scheduler. Under no circumstances should any team treat information received from other sources as "official".

League Schedule

Team contact with the Schedulers is through the Divisional Liaison assigned to their League of play. Do not call the League scheduler!

Schedules, contact lists and field locations can be found on the link to the Gotsoccer website. To ensure the accuracy of this list, please make sure that your Liaison has your correct e-mail address, phone number and team responsibility.

Please note that teams generally play their games on Saturdays but due to field shortages and availability of turf fields, teams may be scheduled to play (League and / or Cup) games on other days or nights. Check your schedule.

In this transition year there may be some Districts that cannot provide fields and times in advance of the start of the season. In this case, the home team must contact their opposition by email and / or phone by Tuesday latest. Games missing this information will be downloaded on to club websites if not posted by the Monday of the playing weekend.

Scores – League Standings

U-11 to U-18

The home team must report the score on Gotsoccer no later than the Sunday evening of the weekend of the scheduled game. If neither team reports the score, it may be recorded as a double forfeiture.

Within 48 hours of the game, it is the responsibility of the away team to check to make sure the reported score is correct.

There will be no standings posted for U-11 or U-12.

Please be respectful of your opposition and refrain from running up scores.

Team officials who repeatedly run up the score will be required to address the issue with the League Scheduling Committee.

U-13 to U-18

Unofficial standings can be found on Gotsoccer. Errors in the unofficial standings must be brought to the attention of the Divisional Liaison.

Teams should also report to the Divisional Liaison any game which was cancelled due to field conditions, abandoned by the referee or where the opposition and/or the referee, or assistant referees at U-15 to U-18, did not "show".

For all U-15 to U-18 League and Cup games, the home team, Club or District must provide two uniformed assistant referees with Entry Level qualifications or higher.

Note: Assistant Referees must be provided for U-15 League Cup Games. Districts must do a "best effort" to also provide Assistant Referees for U-15 League games. **It is the League's intention to make this mandatory in the 2018-2019 playing season.**

You should also mention if a team was not able to produce BCSA photo ID before the start of the game. See Page 9.

See Fines and Performance Bond Schedule on Page 21 of this Guide for the consequences of failure to comply with League operation and discipline requirements. Games are not to be Cancelled or Changed between Team Officials.

Team officials choosing to ignore this rule will find that the result is a double forfeiture.

Requests for Schedule Cancellation

See the Schedule Cancellation Request form on the League website as well your own District's website. All such requests **must be in writing** and e-mailed or faxed by a registered team official to the League Scheduling Secretary not later than fourteen (14) full days before the game for which the schedule change is requested. See Page 4 for contact information. Requests **will only** be granted based on participation in a sanctioned school or religious activity that seriously depletes your team (e.g. class field trip). Please identify the event, the number of players involved, their names, and the name of the sponsor or teacher.

Note: if your request is based on a lack of players, it may not be granted if you have eleven (11) or even fewer players available. Technically, you need only seven (7) players (one of whom must be the goalkeeper) for a match to take place.

The League Scheduling Secretary will contact the District Registrar to determine how many players are registered with the team. For example: If the team has 18 registered players and, say, four are unavailable the team will be considered to have enough to field a team.

The League Scheduling Secretary will circulate the request to the League Secretary for a Board decision. The League Secretary will send the decision to the League Scheduling Secretary and the Schedulers. The League Scheduling Secretary will inform the team.

"Request to Cancel" games will be recorded as a "game not played."

Standings / Changes to Leagues

A League Schedulers' meeting will be held the Monday before Thanksgiving with teams being promoted or relegated based on the results of the games played up to Thanksgiving. Very high or low goal differences, as well as the League standing of the teams they have played against, will be the determining factors. The competition level for the majority of the teams in the grouping take precedence over that of a single team.

Clubs have one week after the distribution of the groupings spreadsheet to bring forward any issues that they have with the preliminary grouping.

A revised schedule and standings table will be issued to begin the second weekend after Thanksgiving.

In order to make all games played relevant to the standings, teams that enter late or change from one section to another will enter their new division with the average points of the new section.

Teams remaining in the group will retain and carry forward all of their points to date.

The League schedule covers all regular League play and breakdown of League Cups for the entire season.

Teams that fail to play the opposition or who forfeit games are subject to fines and / or Performance Bonds and game official costs.

Standings / Declaring a League Winner

At the end of the season, the U-13 to U-18 team with the highest number of points will be declared the League winner, unless a team(s) that has played fewer games could equal or exceed the points leader (number of fewer games played x 3 points). In this situation co-winners will be declared. The total number of games played before Thanksgiving are included no matter which League section they were in before that time.

Final Standings

Please note that goal differential (goals for, goals against) is not used to calculate Final Standings.

No Make-Up Games

As un-booked field space is limited in most Districts, in order to be fair to the majority of teams there will be no make-up games.

This includes games that are cancelled due to weather-related or unplayable field conditions.

REGISTRATION

General Information

Team officials must ask their players if they have already registered or played with any other team, in your District, another District or for an adult team, this season.

Interpretation: a team official shall mean a coach, assistant coach, manager, or any other person registered and who oversees the operation of an affiliated team.

Each season, all players and team officials must be officially registered with both your Club and District Registrars.

A player must be registered 7 days prior to taking part in any Cup competition. While new players may be registered up to the last League game of the season he must play at least one League game before he can play in any Cup game for that team.

A player must reside in the District that he is registered in at the time of his first League game or the player is considered to be an Out-of-District player.

A youth-aged player may register and play outside of the District in which he resides with a validated Out-of-District form and will be considered properly registered and eligible only when OOD permission forms have been signed by both the accepting and releasing Districts.

No affiliated team of youth-aged players, U-13 to U-18, may register more than five out-of-district players. Note: Districts' Parks Boards may have a policy of non-resident percentages. All players must comply with BCSA Rule 22, Zoning.

Clubs and Districts reserve the right to accept or reject the application of any player or team official.

Youth players are ineligible to play in an age division for which they attain the limiting age before January 1st of the current calendar year.

Consistent with BC Soccer rules, full teams of under-aged players cannot play up a division.

Once a player is registered on a team, he must not play for another team unless he is officially transferred or is playing on an Intra-Club Permit.

See General Information-Intent to Play.

A youth player can play for an adult team with permission but cannot play for a youth team once they have signed with an adult team unless they are reinstated in accordance with BCSA rules.

Once a player has completed the season that he turns 18, he is no longer eligible to play for a youth team.

Correct Year of Birth

Youth-aged players are grouped into divisions by their year of birth or later. In 2017-2018:

- U-18: Born in 2000
- U-17: Born in 2001
- U-16: Born in 2002
- U-15: Born in 2003
- U-14: Born in 2004
- U-13: Born in 2005
- U-12: Born in 2006
- U-11: Born in 2007

Players Must Prove Age

Players' new to divisional play must submit proof of age at the time of registration. Proof of age includes birth or baptismal certificates, citizenship papers, passports or landing documents.

Documented proof of age may also be necessary from time to time. Affidavits may only be considered with multiple items of corroborating documentation acceptable to the District Registrar. Please do not submit original documents.

Unregistered Players

The use of unregistered players is absolutely prohibited! There are severe penalties for using unregistered players. See Page 22: 6 month suspension and a fine.

How Many Players Can I Sign?

U-13 to U-16 teams may register a maximum of 18 players while U-17 and U-18 may register a maximum of 20 players. If you exceed that limit, one player must be removed from your team (by whatever process your District has mandated) before another can be added. BCSA photo IDs must be turned in as well.

See U-11 & U-12 Program Information, Page 13.

Inter-Provincial & International Transfers

Players (aged 10 and older) moving from one province to another (inter-provincial transfer) must receive written clearance from the Provincial Association with which he was last registered. A player moving from one Country to another (international transfer) must receive an International Transfer Clearance (ITC) from the Country with which he was last registered.

Check with your District for the proper procedure to be followed.

Player Transfers from One Team to Another

Once a team has played its first League game in the current playing season a BCSA Transfer form must be used. See BCSA Rule 7 for additional particulars.

A player is entitled to a transfer as hereinafter provided, by January 15th of the current year for the coastal/winter-playing season.

A player shall not be allowed to transfer during the team's playing season without the consent of the team for which the player is registered. A player currently under suspension and seeking a transfer is not eligible to play until the suspension has been served.

Once a team plays its first League game in the current playing season any player movement thereafter would be subject to the transfer regulation.

Players registered on teams in the Under 12 and younger age groups may transfer at any time within their own age group during their playing season.

Players are not permitted to transfer to or from a MSL or equivalent team after December 31st of the current Coastal/Winter playing season unless their currently registered team has completed its playing obligations for that season.

Players must be transferred seven (7) days before taking part in any Cup competition. This rule shall not apply to League games. A player, after being transferred, may compete in League games as provided by the rules of such leagues. All player transfers for League games must be made at least one (1) day prior to the game-taking place. The grace period commences from the date the completed application and fee is filed with BC Soccer. The transfer application shall be authorized by BC Soccer prior to the player taking part in any competition with the new team.

A transferred player shall be not eligible to play for the new team in any Cup competition in which the player has already competed during the current playing season.

District approval must be obtained prior to delivering the form to the District. It is the responsibility of the team "obtaining" the player to make sure the form is received by the District and pays the transfer fee to BCSA for players transferring from one District to another. The player cannot play for his old team while awaiting transfer approval.

The District Registrar will file the form with BCSA and approve the player once BCSA has confirmed eligibility.

Players transferred from one team to another will require a new BCSA photo ID card with the new team information.

BCSA PHOTO ID CARDS

Player Identification

As per BCSA, Rule 5, Registration, from October 1st, onwards all U-11 to U-18 players and all team officials require a validated BCSA photo ID for all matches (taken within the last 24 months).

This photo ID must be specific to the team that the player or team official is registered with.

BCSA mandates that while a team official has only one assigned "staff" number, they must have a validated BCSA photo ID specific to each team they coach.

Getting Started on BCSA Photo ID

Contact your District for photo ID procedure.

The BCSA photo ID cards must be validated, then laminated by the designated District official every year. Only then are the cards deemed valid ID cards. Any attempt to forge ID cards, or to give false information, will result in serious disciplinary charges against team officials, such as fines or suspensions.

No BCSA Photo ID, No Play

Prior to the start of the game the front and back of all BCSA Photo ID cards will be checked by the referee. Two copies of the team list must be given to the referee (or designate) for checking-off purposes. The BCSA Photo ID cards will be retained by the referee until the game is over, and only the cards of players or team officials that have not been ejected / expelled will be returned.

Team officials must make sure they get the team's BCSA Photo ID cards back at the end of the game.

Failure to Produce BCSA Photo ID

From October 1st onwards it is the responsibility of team officials to make the team's BCSA photo ID cards available to the referee prior to the start of any game.

Players and team officials without validated BCSA photo ID will be ineligible to play, coach or manage.

Their name will not appear on the team list and they must not be on the team bench.

An exception will only be made when the person provides written permission from

the District Discipline Rep or, when specific to registration, the District Registrar. This would have been done in advance of your game.

Lack of "ALL" BCSA Photo ID

Teams that are unable to provide the referee with **all** of their team's BCSA photo ID's or the above mentioned documentation prior to the start of a scheduled game will default the game, with the points going to the non-offending team. This decision will be made by the League, not the referee.

With the agreement of both teams, the game may proceed as a "friendly". The referee will include this information in his game report. Team officials should be aware that any cautions, ejections, expulsions or misconduct resulting from this "friendly" are subject to normal discipline procedures.

Should both teams fail to produce satisfactory BCSA photo ID, the result will be a double forfeiture.

Teams failing to produce "all" of their BCSA photo ID may be suspended from play until they comply.

BCSA Photo ID & Intra-Club Permits

*Please note that Intra-Club Permits must be accompanied by a BCSA Photo ID. If both of these documents are not available **prior to the start of the game the player will NOT be allowed to play.** There is no exception to this rule.*

See Fines & Performance Bond, Page 22, "Any team official who knowingly plays a suspended (ineligible) or unregistered (illegal) player) or contravenes the Intra-Club Permit rule by playing a player without a valid Intra-Club Permit and BCSA Photo ID is subject to a 6 month suspension from all soccer related activities. Also refer to Page 2.

Ejections / Expulsions & BCSA Photo ID

Should a player be ejected or a team official be expelled or reported for misconduct that person's BCSA photo ID card will be retained by the referee and forwarded to the Home District's Discipline Representative.

BCSA Photo ID will be retained by the District Discipline Rep until the person is eligible to play / coach or manage again, at which time it is the team official's responsibility to retrieve the player's BCSA photo ID. See addresses on the Communications Page 4.

Notes:

Horizontal lines for notes.

INTRA-CLUB PERMITS

Boys Coastal League Intra-Club Permits (ICP)

Players registered with Coastal League teams or "In-District League" U-11 teams, shall be granted permission to play on Permit for a Coastal League team **operated by the same Club**, provided the player has the consent of their registered team, the approval of their Club (including, in the case of U-11 and U-12, adherence to the Club's technically-based playing up policy) and District authorization, as follows:

"In-District" U-11 players may only play on permit for a Coastal League U-11 team within their club.

Even though the teams are designated Red, White or Blue, and they are not tiered according to strength, the League considers them to be the highest caliber of play for that age group, therefore, there will be no permitting within Coastal League U-11.

Coastal League U-11 players may only play on permit for a Coastal League U-12 Gold team.

Players playing in U-12 may play on permit for a team playing in a higher caliber U-12 section, or in an equal or higher caliber section in U-13.

Players playing U-13 to U-18 may play on permit for a team playing in a higher caliber section in their own age Division, or an older age Division in an equal or higher caliber section.

Each section within the League (Gold 1, Gold 2, Silver 1, Silver 2, Bronze 1, Bronze 2, etc.) is a different caliber.

All levels are a section.

A player's age Division is defined by their registered team (not player's actual birth year).

Permits will be allowed for League games only, and not for any Cup games. Registered Out-of-District players shall not be eligible to play under permit.

Players under suspension will not be eligible to play under permit.

A permitted player may not be used at the expense of a player on the obtaining team who is able to play. Permits will not be granted if it means the player's League team may be short players for their scheduled game.

Be sure that the player you are calling up will be able to play before you get a permit signed by your District as, once a permit has been issued, it will not be retracted and will count as one of the 3 permits per season allowed for that player. The only exception to that would be if the game in question was not played.

Teams requesting ICPs shall do so only with a Coastal League ICP. The ICP bearing the consent of the releasing team and approval of the District Designate must be completed prior to the game. Each District and / or its Clubs may set additional conditions for approval or may choose not to approve any ICP permits as it deems appropriate.

A permit is valid only for the team, day and League game stated on the permit

application form. This form can be found on www.4districtsoccer.com.

Please note an Intra-Club Permit allows a player to play for a team he isn't registered with on a specific day and time.

A transfer moves a player permanently from his old team to the new team.

From October 1st onwards, any ICP must be accompanied by the player's valid BCSA Photo ID Card (taken within 24 months). The only exception to this is that U-11 in-house players permitting up to a U-11 team within their club playing in the Coastal League does not require a BCSA photo ID.

Teams shall not be granted permits for more than three (3) players for any one League game. A player shall not play on a permit more than three (3) times in one season.

Any disciplinary action applied from misconduct reported while playing in a game under permit shall be served during future games of their registered team, as per discipline rules.

It is the responsibility of the accepting team officials to confirm with their club TD or head coach that this permit complies with any club policy that may exist re: playing up and that it is in the best interest of the player involved.

Any team playing a player on a permit that does not conform to the above rules shall be sanctioned as for playing an ineligible player, and have permit privileges withdrawn. Any District approving permits not conforming to the above rules can be sanctioned by withdrawal of permit privileges for its District for up to one year.

Notes:

RULES OF PLAY

General Rules

Games are played under the guidelines established by the BCSA. Any item in this Guide is subject to the operating rules of that body.

It is the team officials' responsibility to familiarize themselves with FIFA / IFAB's Laws of the Game and BCSA Rules & Regulations.

U-11 / 12 Program teams should refer to specific rules on pages 13 and 13. Note: BCSA's requirement of a retreat line at U-11, U-12 and U-13.

Decorum

Team officials must take an active role in maintaining discipline on the sidelines and controlling not only themselves but their parents, fans and substitute players. Team officials will be held responsible for activities on the sidelines.

Duration of Game

U-18 and U-17	2 x 45 min
U-16 and U-15	2 x 40 min
U-14 and U-13	2 x 35 min
U-12 and U-11	2 x 30 min

Size of the Game Ball

U-18 and U-13	#5 ball
U-12 and U-11	#4 ball

Exception to the Duration of the Game

In the case of a game starting later than scheduled the halves may only be reduced if agreed between the referee and the two teams before the start of the match and is in accordance with competition rules. There must be sufficient time to play two (2) equal halves. Team lists must be signed indicating agreement by the team officials and referee.

Home Team

Important: Refer to Page 2 Welcome, regarding the home team's responsibility to contact their opposition and a team's inability to fulfill their game commitment.

Field Lining, Nets & Game Ball

Home teams must provide nets, an appropriate sized game ball and line the field to the satisfaction of the referee. Please use sports field whitening or some other non-toxic material for this purpose. Lime should **not** be used.

Corner Flags

The home team must provide corner flags standing a minimum of 5 feet above the ground for all divisions.

“Bicycle flag” type corner flags are not permitted, as there have been cases of severe eye injuries sustained by players.

Number of Players

Seven registered players, one of whom must be a goalkeeper, are required to begin a game at U-11 to U-18. Less than seven players is a default. Under no circumstances are teams to use players not registered on their team unless they are playing on an Intra-Club Permit.

Jerseys, Team Colours, etc.

To assist the referee, jersey numbers are required for teams at U-11 to U-18 for all levels. Each player on the team must have a number on his jersey. To avoid complaints of ineligible players that number must not be duplicated and must correspond to the jersey number on the team list.

See Page 21 *Fines & Performance Bond Schedule* for consequences if team officials are found to have used ineligible players.

Teams must communicate with their opposition to avoid same colour jerseys. In the event of a colour clash (both teams have the same colour strip), the home team must change to avoid confusion.

If used, compression shorts must be the same colour as the shorts worn by the players.

If tape or similar material is applied externally it must be the same color as the part of the sock it is applied to. Clear tape may be the answer.

Headwear & Jewellery

Religious headwear may be worn at games such as turbans, patkas or keskis, although it must be safe and not pose a danger to the wearer or other participants. All jewellery and piercings must be removed. The only exception is for Medic Alert and religious bracelets but they must be totally covered by tape so as not to cause injury to the player or anyone else. All items of clothing are subject to the approval by the game official.

Casts

Players wearing a soft cast will be permitted to play if the cast does not present a danger to the individual or any other player. The referee can make an observation and make the final decision as to the acceptability of any cast.

Concussions, Insulin Pump, Eyewear

It's important that team officials educate themselves about the seriousness of concussions and any other traumatic brain injuries and when the player can safely

return to play. Best policy is: “when in doubt sit them out.”

Some signs of concussion are: “pressure in the head”, neck pain, nausea / vomiting, balance problems, blurred vision, seeing stars or spots, not clear-headed, difficulty concentrating or remembering and confusion.

BCSA Concussion Return-to-play policy requires players, with their parent(s)/guardian(s) if the player is under the age of 18, diagnosed with a concussion provide written evidence of medical clearance to the team's coach and also the local club and youth District before returning to activity (e.g. Competition, practice or physical conditioning sessions.)

A violation of this policy will be considered an institutional violation and member organizations will be subject to discipline by BC Soccer.

At the discretion of the referee the wearing of eyeglasses is acceptable as are insulin pumps as long as they are not a danger to the player or another player.

Team Lists

Using the team list form, found at the front of the Guide, as a “master”, teams shall provide game officials with two copies of their team lists before the commencement of the game.

Full names, jersey numbers and division level must be printed clearly on the team list. Names should be given as registered with BCSA – no nicknames or initials.

Prior to the start of the game it is the responsibility of the team official to give the team lists to the referee and, in return, to obtain the opposing team's list.

Teams may lodge challenges concerning ineligible players at half time or at a throw-in or corner kick. The referee will witness the challenge.

Start Your Game on Time

Games are to start promptly at the scheduled time. Should the opposing team not be at the field by the scheduled time, the referee will wait for 15 minutes. If the team does not show by that time, the game will be called.

The referee may be requested to submit a game report to the League Scheduling Secretary and that committee will make a decision as to the outcome of the game not played.

Fair Play Handshake

FIFA / IFAB's Fair Play Handshake policy directs teams to have a **pre-game handshake** as well as post-game handshake. The pre-game handshake will be organized by the team's officials or the team captains.

Any post-game handshake is at the discretion of the teams, however, the atmosphere of the match should be considered before engaging.

Teams reserve the right to decline a request and the referee can continue his/her duties until s/he leaves the field and its immediate surrounds.

No Referee for a Game?

If the referee has not shown 15 minutes after the designated game starting time and both teams agree to play the game, the home team will referee the first half and the visiting team will referee the second half, unless it is agreed that one person will referee the whole game.

However, if the teams wish to play the game as a "friendly" then they must sign and exchange team lists in advance of the game, indicating on the list that they are in agreement to the "friendly". Scores will be recorded as reported if these team lists are not signed and exchanged in this manner.

Every effort should be made to play the game. If the teams do not agree to play the game, the game will not be re-scheduled.

Substitutions

Unlimited substitutions are permitted in all League and Cup games. Substitutions may be made at a stoppage in play at the referee's discretion; and in compliance with the correct FIFA / IFAB procedure.

Substitutes must wear jackets or pinnies when on the sidelines so as not to be mistaken for an on-field player. The player should have his jacket or pinnie off and must be ready to play as soon as the coach receives permission from the referee for the substitution.

The player being substituted must be off the field before the new player enters.

Entering / Re-entering the Field

Will only be allowed with the referee's permission.

Offside

Whether a player is offside or not is strictly the referee's decision. It is not an offense to be in an offside position unless, in the referee's opinion, the player is involved in active play by interfering or gaining an advantage at the moment the ball is touched or played by one of his team.

Coaches, supporters and unofficial (parent / fan) club linespersons are to refrain from advising referees of offside calls.

Club Linesperson U-11 to U-15 (Parent / Fan)

While it is mandatory that linespersons be provided for each U-11 to U-15 game, referees have the right to either not use or dismiss them at his / her discretion.

If you are a "club linesperson", your only job is to call the whole ball "out". At no time shall "club linespersons" call or indicate offside.

Coaches should not act as linespersons as it impedes their ability to properly guide their team during the game.

Assistant Referees must be provided for U-15 League Cup Games. Districts must do a "best effort" to also provide Assistant Referees for U-15 League games.

Coaching from the Sidelines

Coaching is not allowed at the goal end of the field. Players should not warm up in this area, and playing gear should not be left in the area of the goal posts.

Where do Team Officials, Players & Fans Stand?

Where field configuration permits, both teams' officials and their players must stand on one side of the field while both teams' spectators will stand on the opposite side of the field.

Fan Behavior

Fans must not be in the vicinity of the goal ends.

Where field configuration does not permit spectators must NOT stand behind the technical area.

It is the team official's responsibility to make sure this requirement is met.

Team officials are responsible for the behaviour of their fans. Speak to your fans before the referee has to request you to do so. If requested by the referee to control sideline behaviour, a team official could be reported for failing to use best efforts to comply with this request.

Hands Off

If you're trying to get someone's attention do not put your hands on them. In this day and age you could be charged with assault.

Red Card Offenses

It is the responsibility of team officials to inform their players as to what constitutes a "red card" offense. Ignorance of the FIFA / IFAB Laws of the Game will not protect a player from an ejection.

If an individual is ejected from the game or is requested to leave, they must leave the immediate area. The person will still be considered to be in the playing area or park if the individual continues to direct misconduct towards the playing area from outside the park's limits.

Neither an ejected player nor a team official who has been sent from the area for misconduct may take part in the post-game handshake.

A Reminder for All Teams

School and park permits are subject to cancellation if alcoholic beverages are brought, dispensed or consumed on a park or school site.

Schools and parks must be kept clean. Take home your half-time refreshment debris.

Artificial Turf Field Rules

Footwear must be cleaned on mats or the boot scrapers provided outside the entry gates before the players enter the field. No screw-in stud footwear are allowed, including metal or plastic studs. This rule will be strictly enforced.

Only team officials and players registered to the team are allowed inside the fenced area. Spectators must remain outside the fenced area unless bleacher seating is provided.

Bad Weather Directions

See Communications on Page 4 for contact information.

As weather becomes poor, games will be moved to all-weather surfaces or cancelled outright by the Schedulers.

Field decisions may not be uniform throughout our playing area. Fields may be closed in one municipality while they are open in others.

The League Schedulers will notify the clubs within their District if all League play is cancelled within their District or if certain fields are known to be unplayable due to snow, ice or flooding. The home team must notify their opposition as soon as possible of the cancellation or change. Failure to do so can result in a forfeit by the home team.

If there is no "blanket" closure in your District, but you know that the field you are scheduled on is either snow-covered, frozen or flooded, contact your District Scheduler to let them know and they will take the steps necessary to cancel or change the game. If you do not hear via your District Scheduler and your Club that the game has been cancelled, both teams should be in attendance to play as scheduled and the referee will make the

decision as to the playability of the field at game time.

Called League Games (Abandoned due to Field & Weather Conditions)

Games that are called **prior** to the commencement of the second half due to deteriorating field and weather conditions or because of limited time constraints on turf fields for example lights will be recorded as cancelled. These cancelled games will not be included in the standings and will not be made up at a later date.

Any game that is called **during** the second half due to deteriorating field and weather conditions or because of limited time constraints on turf fields for example lights will be considered complete. The score at the time the game is called will be recorded as the final result.

Called League Cup Games, see Page 15.

Abandoned Games

Only a referee can abandon a game. Any game abandoned by the referee will be investigated by the Abandoned Games Committee, based on the referee's report and, if required, reports from the two teams. The committee will decide the points, if any, to be awarded for the game.

Withdrawal of Team from the Field

Team officials who choose to withdraw their team from the field, without just cause, after the start of the game and before the match is completed will be sanctioned.

U-11 & U-12 PROGRAM INFORMATION

All teams playing in the Coastal League are bound by the rules in this Guide, however, the following are rules specific to U-11 and U-12.

To see BC Soccer Small-Sided Referee Rules which have been created for games involving players from U-6 to U12 age categories go to www.bcsoccer.net, click on About Us, Bylaws, Rules & Regulations and Policies; then *Small-Sided Referee Rules* for the "Laws of the Game."

Long-Term Player Development (LTPD) is the Canadian Soccer Association's Pathway to success on both fronts. LTPD is a player centered approach that provides guidelines for correct training, competition, and recovery based on scientific principles

of human development and athlete training, combined with the knowledge of expert coaches. Player centered means we respect the developmental needs of our players first and foremost. We ensure that our young players have fun while they learn they want to continue playing. It also means we provide challenging opportunities for special talents so they can develop their abilities and pursue excellence. All of these needs are addressed in the seven stages of LTPD.

As above, on www.bcsoccer.net click on the *Small-Sided Soccer Development Manual*.

Read the entire Guide. Particularly pages specific to Welcome, Code of Ethics, U-11 to U-18 General Information and the Rules of Play. This explains how Soccer operates, the formal rules and procedures, and your rights and responsibilities as a coach, your players and their parents.

There is no League or Cup to "win". Where an organization submits more than one U-11 team, U-11 teams from that source are to be balanced e.g. of approximately equal strength.

Teams of players aged up to and including U-12 must play in their own birthdate age group, and are not permitted to "play up as a team."

At U-12, all teams play in the Coastal League, with each team playing in one of about 10 divisions of different calibres.

Fair Play Handshake

The Fair Play Handshake policy directs teams to have a pre-game handshake; this will be organized by the team's officials or the team captains, as well as a post-game handshake.

Any post-game handshake is at the discretion of the teams, however, the atmosphere of the match should be considered before engaging.

Teams reserve the right to decline a request and the referee can continue his / her duties until s/he leaves the field and its immediate surrounds.

Don't Run Up the Score

Please be respectful of the opposition and refrain from running up the score. Team officials who repeatedly run up the score will be required to address the issue with the League Scheduling Committee.

Schedules and contacts can be found on the link to Gotsoccer.

Unless otherwise instructed, scores must be reported to the League Division Liaison after each game for placement and discipline tracking purposes only.

Your Division Liaison is your main contact regarding the schedule. Your Division Liaison will e-mail you with schedule changes and inform you how to communicate scores and questions. The U-11 schedule will appear on the Coastal League website but scores and standings will not be published.

Clubs must ensure that there is a retreat line at U-11 and U-12 scheduled games. See the Coastal League website for details.

Clubs must ensure that Coastal League U-11 and U-12 game referees as well as coaches and managers know the procedures regarding BCSA photo ID and team lists.

Club Linesperson (Parent / Fan)

If you are a "club linesperson", your only job is to call the whole ball "out". At no time shall "club linespersons" call or indicate offside.

Coaches are discouraged from acting as linespersons as it impedes their ability to properly guide their team during the game.

Referees are in charge of the game. Most of the referees for U-11 and U-12 are youth divisional soccer players themselves. They are trained, and they know the laws of the game, but some of them will have limited refereeing experience. They need coaches' and parents' support and respect in carrying out their duties.

Dissent from team officials or players is unacceptable. Regular Discipline applies to U-11 and U-12 games.

Scheduling: U-11 & U-12 Program Specific Information

Most Districts will have District-specific rules for the use of fields for U-11 / U-12 soccer. It is especially important, where games are played across full size fields, that spectators do not stand in the full size field's goal area. Damage to fields by spectators may lead to loss of fields from the U-11 / U-12 pool. The home team is responsible for marking the field, providing nets, and managing the impact of spectators on the fields.

REFEREES

It is the responsibility of every referee and AR to know and properly apply the rules that pertain to the specific game assignment they have accepted – FIFA / IFAB *Laws of the Game*, 4-District League games and Final rules, Coastal Cup, Provincial Cup, etc.

Each Club or District must provide a qualified BCSA registered uniformed referee for each home game, U-11 through U-18, and whose job it is prior to the start of the game, to check and sign the team lists and check BCSA photo ID's, players' shin guards and cleats. Also must check nets for holes. The referee may delegate any portion of this requirement to the AR.

Assistant Referees (AR)

For all U-16 to U-18 League and Cup games, the home team, Club or District must provide two uniformed assistant referees with Entry Level qualifications or higher.

Clubs or Districts that do not provide referees or assistant referees will be subject to reprimand and / or fines.

Note: Assistant Referees must also be provided for U-15 League Cup games. As well, Districts must do a "best effort" to also provide Assistant Referees for U-15 League games.

Exception to the Duration of the Game

In the case of a game starting later than scheduled the halves may only be reduced if agreed between the referee and the two teams before the start of the match and is in accordance with competition rules. There must be sufficient time to play two (2) equal halves. Team lists must be signed indicating agreement by the team officials and referee.

Referee Behaviour

Referees and Assistants should avoid familiarity with team officials, players and spectators.

Should coaches or managers have a complaint regarding the conduct of a referee, the complaint should be directed in writing to their District Referee-in-Chief who will forward it to the opposing District's Referee-in-Chief if it involves the opposing District's referee. The name of the referee is not a requirement as the RIC will obtain that information during the investigation.

Note: Referees are not to advise or give opinions to team officials or spectators pertaining to League decisions.

A Gentle Reminder...

The League Discipline Committee will take disciplinary action against the offending team official should the referee report excessive disputing of calls or referee harassment.

The referee is in charge of the game. This authority is total and should not be challenged. The referee is under no obligation to explain his / her actions. The referee may report after-game misconduct, see Discipline on Page 19.

See Bad Weather Directions on Page 12.

A Not So Gentle Reminder...

BC Soccer and discipline committees have a zero tolerance regarding the abuse of referees and assistant referees.

What Should I do if ...?

Team officials must take all precautions necessary to prevent their players, team officials or spectators from protesting decisions made by the referee or assistants, before, during or after the conclusion of the match.

Team officials - If a referee asks you to control your sideline or tells you that you must leave the playing area - do so immediately!

If an individual is ejected from the game or is requested to leave, s/he must leave the immediate area. The person will still be considered in the playing area or park if the individual continues to direct misconduct towards the playing area from outside the parks limits or engages in conduct for which the penalty under the FIFA Laws of the Game would be an expulsion.

They are not to take part in the post-game handshake.

BCSA Photo ID

See Page 9 for BCSA photo ID required from October 1st onwards and details pertaining to lack of BCSA photo ID – **no photo ID, no play policy.**

Intra-Club Permits

The referee must check to make sure that the permit is accompanied by a photo ID and that it is validated for the proper game date.

Fair Play Handshake

FIFA / IFAB's Fair Play Handshake policy directs teams to have a pre-game handshake as well as post-game handshake. The pre-game handshake will be organized by the team's officials or team captains.

See Page 3 of the Guide.

The referee must remain to witness the postgame handshake and report any misconduct.

Club Linesperson U-11 to U-15 (Parent / Fan)

While it is mandatory that linespersons be provided for each U-11 to U-15 game, referees have the right to either not use or dismiss them at his / her discretion.

If you are a "club linesperson", your only job is to call the whole ball "out". At no time shall "club linespersons" call or indicate offside.

Coaches are discouraged from acting as a linesperson as it impedes their ability to properly guide their team during the game.

Individuals must refrain from coaching while carrying out the linesperson duties.

A Player Who is Bleeding

A player bleeding from a wound must leave the field of play. He may only re-enter on receiving a signal from the referee, who must be satisfied that the bleeding has stopped and there is no blood on his equipment.

See Rules of Play – Page 11.

Referees must familiarize themselves regarding rules pertaining to Headwear & Jewellery, Casts. Concussions, eye glasses and Insulin Pumps.

Red & Yellow Cards

All red and yellow cards including League, Cup and In-District Provincial Cup must be reported on the BCSA Discipline Website at www.bcsoccer.net by the end of each weekend. Double-check the spelling of the individual's name and team information including the level of play (e.g. G1, S3, or B2) before submitting.

Referees must **not** indicate what penalty they think should be levied. They will make a separate report for each player, team official or spectator. The BCSA photo ID must be taken to the Home District's Discipline Representative within 24 hours of the incident. See Page 4 for a list of Discipline Representatives.

IMPORTANT: Referees must submit a report if a serious injury occurred in the match.

Abandoned Games

Only a referee can abandon a game.

Cup Games

If you are asked to referee a Coastal, Provincial Cup or League Cup game, please familiarize yourself with the Cup Play format.

LEAGUE CUP PLAY

The Scheduling Committee will conduct Cup draws for each individual League grouping from U-13 to U-18.

- Gold = Pioneer Cup
- Silver = Commonwealth Cup
- Bronze = Burrard Cup

Dates will be set aside and marked clearly on the schedule for all rounds after Round 1. For third and subsequent rounds of Cup play, no wholesale League game cancellations will be made. Only teams still in Cup play and their opponents for that League game will have their League games cancelled in lieu of Cup play. These games will not be rescheduled.

Failure to fulfill your League Cup Finals commitment may result in a game forfeit and a \$200.00 fine to your District.

Dates of Cup rounds may be advanced to minimize the impact on League play.

A single game cannot be considered as both a Cup and League game.

The Divisional Liaison will inform teams about Cup game fields and times.

All procedures related to AR's, field preparation, team lists, player substitution and length of game are the same as for regular League play.

If a winner has not been determined by the end of regulation time, then kicks from the penalty mark will be taken to determine the winner of the match.

Kicks from the Penalty Mark

See the League Cup Finals Page 16 for Kicks from the Penalty Mark instructions.

Please note that failure to play the kicks from the penalty mark format is cause for a protest.

Called League Cup Games (Abandoned due to Field & Weather Conditions)

League Cup games that are called due to deteriorating field and weather conditions or because of limited time constraints on turf fields, for example lights, will be considered incomplete.

The Cup game will be rescheduled to restart from the minute that the game was called whether it was in regulation, extra time or during the penalty shots and will be restarted with the same line-up of players both on and off the field and where possible the same game officials will be present.

In order not to cancel more League games to replay Cup games cancelled for any reason, the cancelled Cup games will be rescheduled on an off-League game day. Teams with League games scheduled for a Saturday will play their cancelled Cup game on a Sunday and vice versa. Teams with a League game scheduled for a Friday night will play their cancelled Cup game on the Sunday.

Cup Finals

Specific times and locations will be arranged well before the event and communicated to you by your Club or Divisional Liaison and circulated to the Districts for forwarding to their Clubs / Teams.

All games must be played as scheduled on the weekend set aside and noted on Page 1 of the League Guide.

Game Day Information

See Page 16 for information specific to League Finals Game Day.

Discipline

Ejected players or expelled team officials or who are reported for misconduct from a League Cup Finals game must immediately leave the field area and not be involved in the handshake line or awards ceremony. They are also required to attend a discipline hearing usually scheduled for the Wednesday following the incident.

Provincial Play-Downs & BCSA Cup Play

There are two levels of play for provincial competition. The Provincial Cup leads into National Championships and is open to all teams that wish to play. By March 1st of each year each District will have a winner advancing in each age group to the Round of 16 in the Coastal B Cup play-downs.

Each of the Districts will have a winner advancing in each age group to the Round of 16 in the Coastal B Cup play-downs.

B-Cup Wild cards & tiebreaking methodology: In the age groups where the League has a wild card spot in the B-Cup draw (1 each at U-13, U-15, U-17 and 2 each in U-14, U-16 and U-18), those spots will be given to the teams that had the highest standing in the League (descending from Gold 1 through: G1, G2, G3, S1, S2, etc.), no matter with which District they are registered or when they were eliminated from their District B Cup play-downs.

Using the method on Page 7 to determine standings, in the event of a tie, there will be a tie-breaking game scheduled.

The League board will meet in January and will determine the home team by a coin toss or some-such method.

In-District Provincial Cup Discipline

While playing "in-district", Provincial Cup red and yellow cards will be dealt with by the League Discipline Committee.

Notes:

BC COASTAL LEAGUE CUP FINALS

Specific times and locations will be arranged well before the event and communicated to you by your Club or Divisional Liaison and posted on www.4districtsoccer.com.

All games must be played as scheduled on the weekend set aside and noted in the Calendar of Events on Page 1 of the League Guide.

Game Day Information

Only the League Working Committee members are allowed in the tower or on the stairs leading to the tower.

Teams must arrive at least 30 minutes before scheduled game time.

Team lists and BCSA Photo ID cards **must be** produced, for every registered player and team official, well before the start of the game. This verifies eligibility. Unregistered, improperly registered and / or suspended players or team officials will not be allowed to play or participate. They must not be in the fenced area.

Practice and warm-up will not be allowed on the field. Keep the area behind the goals clear of any equipment.

Only eligible players registered with the team and their team officials (to a maximum of three) as listed on their affiliation form, will be allowed inside the fenced area.

Teams are encouraged to bring ice packs in the event of an injury.

A list of games will be posted at the concession stand and at the tower.

Both team's players and officials will stand on the same side of the field while their spectators will stand outside the fenced area.

There must not be any spectators on the west side of field #2 as this is an Emergency Vehicle lane only.

Only water is allowed in the game area. Food and alcoholic beverages of any sort, for any purposes, are not permitted.

The game ball is provided by the home team.

If there is a colour clash, the "home" team (as listed on the left hand side of the draw sheet) must change uniforms to the satisfaction of the game officials.

At half time, there will be a 5-minute break.

Note: Games tied at the end of regulation time will be decided by penalty kicks.

Kicks from the Penalty Mark

There are two coin tosses to determine the winner. The first toss is to determine which side/net the penalty kicks will be taken. The second is to determine which team will shoot first.

With the exception of a substitute for an injured goalkeeper, only players who were on the field of play or are temporarily off the field of play (injury, adjusting equipment, etc) at the end of the match are eligible to take kicks.

Each team is responsible for selecting from the eligible players the order in which they will take the kicks. The referee is not informed of the order.

If at the end of the match and before he kicks one team has a greater number of layers than its opponents, it must reduce its number to the same number as its opponents and the referee must be informed of the name and number of each player excluded. Any excluded player is not eligible to take part in the kicks (except as indicated above.)

Only eligible players and match officials are permitted to remain on the field of play.

All eligible players, except the player taking the kick and the two goalkeepers, must remain within the center circle.

The referee keeps a record of the kicks.

The kicks are taken alternately by the teams.

If, before both teams have taken five kicks, one has scored more goals than the other, even if it were to complete its five kicks, no more kicks are taken.

If, after both teams have taken five kicks, the scores are level kicks continue until one

team has scored a goal more than the other from the same number of kicks.

Each kick is taken by a different player and all eligible players must take a kick before any player can take a second kick.

The above principle continues for any subsequent sequence of kicks but a team may change the orders of kickers

Please note that failure to play the kicks from the penalty mark format is cause for a protest.

Presentation of Awards

Immediately after the game, both teams must quickly gather their equipment and go directly to the awards presentation area situated underneath the tower between #1 and #3 fields.

Winners and runners-up will receive pennants and a team plaque.

The Cup winner trophy will be presented.

Teams should then move to the West of the presentation area as other teams may be in line for their presentation.

The Cup winner team may take pictures with the trophy but it has to be promptly returned to the awards area. When picking up the trophy please do so by the base, not by the bars that hold the sections together.

Discipline

Ejected players or expelled team officials or who are reported for misconduct from a League Cup Finals game must immediately leave the field area and not be involved in the handshake line or awards ceremony. All players and team officials who have been ejected are required to attend a discipline hearing scheduled for the Wednesday following the incident.

League Winner & Co-Winner Medals

Medals will be forwarded by the League to the team's district approximately 4-5 weeks after the last scheduled League games of the season. U-13 to U-16 teams will be allocated 18 medals while U-17 and U-18 will be allocated 20 medals.

PROTESTS & APPEALS

Submitting a Protest

See the Protest Form on www.4districtsoccer.com or your district website.

If you have knowledge of the basis for a protest before the game, you must advise the referee that you are going to play the game under protest. Many protests are denied because of a failure to notify the referee prior to the game.

Team officials may protest any scheduled game. All protests must be submitted in writing to the League Protest Committee Chair.

Before you send a protest consider whether it might be a complaint instead. Complaints may go directly to the League Secretary or, if a discipline issue, to the League Discipline Committee.

See Communications on Page 4 for Protest / Appeals Committee information.

Protests must include:

- Date and time of game
- Teams involved
- Division
- Field and location
- Type of game
- Contact name, email address and phone number.

All protests must be signed by the registered team official and submitted within 48 hours of the date of the match to which it relates.

The "Grounds" for Protest

A protest will only be considered on the grounds of:

1. Misinterpretation of the FIFA / IFAB Laws of the Game
2. On the eligibility of players, or
3. On breaches of Competition Rules and Regulations.

You must state which of these grounds is the basis for the protest.

You cannot protest a game based on the referee's judgment of the 'facts' of the game (e.g. was a player offside? Did a player handle the ball?).

FIFA Law 5 - The decisions of the referee regarding facts connected with play, including whether or not a goal is scored and the results of the match, are final.

Any protest related to the field, posts or game equipment would be denied unless it is brought to the referee's attention before the game and in the referee's opinion the objection did not seriously affect the outcome of the game.

All protests must be forwarded to the Protest Committee Chair (see Communications Page 4 for particulars).

Upon filing a protest, a cheque for \$250 payable to the "Four District Soccer League" must be received by the League Treasurer at 788 E. 30th Avenue, Vancouver, BC V5V 2V9.

Any protest emailed to the League shall be considered "signed." However, the protest will not be considered until the protest fee is received by the League Treasurer. The protest fee must be received by the League Treasurer within 48 hours of the protest being filed.

Upon a successful protest, based on known breaches of FIFA / IFAB Laws, BCSA Policies or Procedures or those of the League, there may be a replay, default may be awarded or the results may stand.

If the protest is upheld, the fee will be returned. If the protest is denied, the fee will be retained by the League.

See Bad Weather Directions on Page 12.

If a Protest is Considered...

The Protest Committee Chair will contact team officials as listed on the 4-District website and will forward a copy of the protest to the opposing team (within 48 hours of receiving the protest), and request their written response within 48 hours of receipt of same. The Club President will be copied on communication. The referee, and assistant referees if applicable, will also be requested to supply a written report to the committee.

After reviewing these documents, the Protest Committee's decision will be conveyed in writing to both teams within five (5) working days of notification of the opposing team.

Cup Protests Other Than League and Provincial Cup

Any protest for in-house Cup including In-District BCSA, Coastal and Provincial Cup, District Community Cups must be directed to your District.

Provincial Cup Game Protests

All protests regarding Inter-District Provincial Cup games at both the Provincial "A" and BCSA "B" levels must be submitted directly to the BCSA Protest Committee in accordance with their procedures. In no case will any other body make decisions.

Appeals of Scheduling Decisions

Decisions of the Scheduling Committee can be appealed to the 4-District League Board.

Such an appeal will **only** be accepted if it is based on the decision contravening a League or BCSA rule or regulation.

You cannot appeal a decision, which the rules say the Committee is entitled to make but you do not like (e.g. you want to be in a different division).

Such an appeal must be forwarded to the League Secretary, accompanied by a cheque for \$250 made payable to the Four District Soccer League, within 2 working days of the issuance of the decision.

Appeals of Decisions made by the Board or its Committees

All appeals of the Coastal League Board, Protest Committee, Abandoned Games Committee or Discipline Committee rulings must be made to the BCSA Appeals Committee, either by mail, fax or email within 10 working days of the rendering of the decision.

The format of the appeal is the same as a protest, except that you are appealing the decision itself and must include a copy of the decision being appealed.

A cheque payable to the "BC Soccer Association" for the \$500 appeal fee, must accompany the appeal.

Please note that the decision of the committee shall remain in effect pending the result of the appeal.

Upon request by BC Soccer, the Protest Committee will forward all information they used in their decision making directly to the BCSA.

Further appeal is possible – ask the BCSA to provide details if you wish to appeal their decision.

DISCIPLINE

General

It is the responsibility of team officials to inform their players that they can be expelled for the following:

- Persisting in misconduct (two yellow card offenses in the same game)
- Denying a goal scoring opportunity
- Offensive, insulting, abusive language and / or gestures
- Failure to act in a responsible manner
- Serious foul play
- Violent conduct
- Spitting at an opponent or any other person

IMPORTANT: If a player is sent off or team official is expelled from a game they **MUST NOT** participate in the post-game handshake. They must leave the vicinity of the field of play and the technical area.

Expelled team officials are not shown the red card.

Referees can submit misconduct reports for players, team officials and spectators even after a game is finished.

All players, coaches and managers taking part in the League are subject to the BCSA Discipline Guidelines and the decisions of the League Discipline Committee. This committee, with a representative from each district, generally holds discipline meetings at 7:00 p.m. every Wednesday evening at:

Willingdon Community Centre
1491 Carleton Avenue, Burnaby, BC

Team officials must be prepared to attend, with their player/s, the Wednesday immediately following the ejection, unless otherwise informed.

A player's parent may attend but must be made aware, in advance, that s/he is present as an observer only. At the time of the hearing the team official is the spokesperson for the player.

The League, or one of its committees, may investigate complaints from team officials, abandoned games; teams with excessive cards, excessive no-shows or forfeitures, misconduct of teams, officials, spectators, or violation of field closures. The Discipline, Protests / Appeals or Abandoned Game Committees may request the posting of a Performance Bond and/or fine in keeping with the Fine and Performance Bond Schedule.

When lengthy suspensions are levied the committee will consider the seriousness of the offense, the time of year: mid-season break and end of season.

From time-to-time, the Discipline Committee may ask a team official and/or spectator to attend a "discussion" meeting to investigate a discipline matter brought to their attention that did not result in an ejection or referee's misconduct report. Failure to Appear rules apply in this case should the team official decline to attend without good cause.

Complaints: The committee will not deal with issues/complaints that cannot be corroborated by the game official.

Occasionally team officials have concerns regarding misconduct of opposing players, team officials, or fans from a prior game. The attendance of committee members as observers at games may be requested in writing. This request must be received by the League Discipline Chair at least seven days prior to the next scheduled game, giving the committee just cause for the request to attend.

"Exhibition" or "Friendly" Games

While the League does not schedule "exhibition" or "friendly" games red and yellow cards received in "exhibition" or "friendly" games will be reported by the referee and will be subject to normal discipline procedures.

The Discipline Hearing

Once the referee's report has been received and the committee has set a discipline hearing date and the team official has been contacted it is the team official's responsibility to contact the player.

Failure to attend when called may result in an Indefinite Suspension from all soccer related activities.

Depending on the seriousness of the offense, some ejections may be levied automatic game(s) suspensions. The team official will be informed of the suspension and that the player does not have to attend a hearing. However, the team official has the right to request a hearing within 48 hours of the notice if they disagree with the number of games levied.

If you haven't been contacted by the Monday evening following the send-off or ejection, please call your District Discipline Representative.

The Discipline Committee will decide at the hearing what additional penalty, if any, will be imposed on the person who was ejected or reported for misconduct. The Committee can issue additional suspensions within the guidelines established by the Canadian Soccer Association and BCSA.

See Right to Appeal on Page 21.

Failure to Appear

Any team official or player failing to appear at a scheduled discipline hearing or on a date specified by the League or a District Association shall be suspended until the case has been dealt with by the Discipline Committee.

A Notice of Indefinite Suspension requires that the individual be notified of such action and is Indefinitely Suspended from all youth soccer activities including refereeing until he attends a hearing.

Should an individual continue to participate in youth soccer activities after being placed on Indefinite Suspension, they shall be required to appear before a Provincial Board Discipline Hearing.

The Automatic One Game

As per FIFA / IFAB, all red cards carry an automatic one game suspension. This game is served automatically by sitting out the very next League or Cup game (whichever comes first) after the game in which the red card was received.

Additional games may be levied by the League Committee depending on the infraction.

Yellow Card Cautions

Multiple yellow cards have the same automatic one game provision. Anyone with three yellow cards in one season (not to be confused with two yellow cards in one game) must sit out the team's very next game. The team official must wait for contact from their District Discipline Representative confirming that it is, in fact, the player's third reported caution of the season. Do not sit out the player until you have been contacted. While you may contact your rep through the season to inquire as to how many cautions a player has, it is up to the team official to keep track.

The player does not have to attend a discipline hearing for receiving three yellow cards in a season. Once you have been contacted confirming that he must sit out the team's very next game, remove his BCSA photo ID from the team pack and draw a line through his name on the team list.

Please note that on receipt of a fifth caution in a season that the player may be requested to attend a hearing.

Serving Your Discipline

A game must be played to its conclusion for the purposes of serving a suspension. Games cancelled because of bye, abandonment, weather conditions, a stoppage in schedule or by forfeiture, or for any other reason do not count as a game suspension completed.

Draw a line through the names of suspended players or team officials on the team list. Suspensions must be served by "sitting out" already scheduled League or Cup games.

Suspensions cannot be sat out in exhibition or tournament games.

A suspended player may attend games but may not be in uniform or be involved in any way and must not fraternize with other team players, team officials or fans.

Suspended players and team officials must stay back a minimum of 50 feet (15 meters) back from the sideline; in other words, away from the area immediately surrounding the field of play.

Suspended team officials must arrange for someone else to fill their position, and inform their discipline representative of that person's name and phone number.

Suspended team officials must not coach verbally, by hand signals or any other means (including electronic / cellular devices) and must not fraternize with the players, coaching staff or fans to avoid being suspected of coaching while under suspension. The team players must be told not to approach the suspended player or team official before, during or after the game.

Also, such suspended players and team officials must not be involved in the team pre- or post- "handshakes".

Players or team officials will not participate in any BCSA sanctioned soccer function while under suspension. This includes acting as a game official, handling equipment, field setup, coaching or assigning substitutions. Players can, however, attend practices.

Suspended players or team officials who play, coach or referee while under suspension or, if attending as a spectator, behaves in a manner that brings the game into disrepute shall be subject to further disciplinary action.

In general, it is the responsibility of the team official or player to arrange with his District Discipline Representative to pick up his **BCSA photo ID** card after the suspension is completed.

In some cases, the ID may be mailed to the team official. The process will be clarified by each district's discipline representative.

Informing Other Teams

When a discipline matter, such as the suspension of a player or team official, has been ruled on by the Discipline Committee the team's Discipline Representative will inform the opposition simply that "X" is not entitled to play / coach in their game vs. the opposition on a specific date.

Suspensions Carrying Over

Suspensions may carry over into sanctioned activities including tournaments and exhibition matches but do not constitute games sat out with regards to their suspension. The committee may allow a player to play in a tournament depending on the seriousness of the suspension.

Players and team officials who do not complete their suspensions in one season will sit out the balance in the following season. They must be officially registered for the upcoming season for the suspension to count. U-18 players graduating to adult play, who have suspensions carrying over, will serve them in the first games of adult play.

Notes:

Blank lined area for notes.

FINES & PERFORMANCE BONDS

After thorough investigation, the Board or the Discipline, Protests or Appeals Committee, on behalf of the Soccer League, may levy a fine or a Performance Bond for a specific period of time and purpose, and, may set further terms of punishment for non-compliance.

Any offense listed on the schedule shall be reported to and ruled upon by one body.

A bond is to guarantee good behaviour of the team (officials, players, and fans) including League and Cup games. This generally means that an individual or team has behaved in a manner considered to be unbecoming a member, therefore, that person or team must behave in a manner that does not bring the game into disrepute by following the League Guide's Code of Ethics. See Page 3.

A fine or bond may be levied up to and including the amount set out in the attached schedule except in the case of extreme discipline circumstances when more severe fines and / or bonds, up to \$5,000, and other discipline may be imposed.

Fine and bond payment will be the responsibility of the district or club with which the team is affiliated.

The request to post the bond will be sent to the Club and team's officials and copied to the District.

In the case where a team official or spectator has been reported for misconduct, a fine and / or a bond may be levied with or without assessing a suspension.

The League Treasurer will deposit all bond cheques and the League is not required to pay interest on any bond levied.

Procedure

The Board, the Discipline Committee, the Protest Committee, or the Abandoned Games Committee will act only on written misconduct reports, match game reports or formal complaints.

The assessment and payment of fines for violation of the FIFA / IFAB Laws of the Game or League operating rules shall be in accordance with the rules and regulations of the governing authority.

Persons reported for offenses listed on the schedule will be given the opportunity to respond in writing to the League, the Discipline, Protest or Appeals Committee before a decision is made. In some instances, an appearance at a discipline hearing will be required.

If a hearing is necessary, the club and team officials will be duly informed and a hearing shall be conducted in accordance with the BCSA's hearing procedures.

Should a fine be assessed, the decision will be communicated in writing to the club, team and district association.

The League Secretary will be informed that a fine and / or Performance Bond has been assessed.

Fines and Performance Bonds become due immediately. The League Treasurer must receive payment within 10 days of the hearing or notification of said fine or Performance Bond.

Failure by the team officials or their club to pay will result in the team being suspended from the district and League sanctioned soccer activities until the assessed amounts are paid.

If the performance bond or fine imposed continues to remain unpaid then the League will have the option to withdraw services from the team and club until the assessed amount is paid.

The performance bond money will be returned once the team's commitment to all League and Cup games, including Provincial Cup, has been completed unless there are extenuating circumstances that is cause for the bond to go beyond the end of the season for example seriousness of the offense, persistent misconduct, time of season, and mid-season break.

Rights of Appeal of Fines & Bonds

As per BCSA Rule 13, appeals must be filed with the Executive Director, BCSA, #250, 3410 Lougheed Hwy Vancouver, BC V5M 2A4 within 10 working days after the issuance of the committee's decision.

Appeals must state in writing the grounds upon which the appeal is lodged.

A concise submission stating the by-law, rule or regulation that has been contravened and setting out clearly in what respect the decision is alleged to be wrong.

The affiliated coach, manager or official must sign the appeal.

The fee of \$500.00 (made payable to BCSA) must accompany the appeal filed with the BCSA.

The Fine, Performance Bond fees and/or levied suspensions will remain in effect pending the result of the appeal.

Notes:

PLAYING FIELDS

When phoning to obtain information regarding field closures, be aware that certain types of fields may be closed, while others may remain open.

Only team officials and players registered to the team are allowed inside the fenced area. Spectators must remain outside the fenced area. No dogs are allowed.

Teams are not to enter the fenced area while games are still in progress until the referee blows the final whistle.

Alcoholic beverages or any other prohibited substance are not allowed in the vicinity of the playing field.

Map Index

Fields are listed for each district, with area locations and addresses listed alphabetically.

Field types are identified by:

- AW = All Weather ~ Gravel
- G = Grass
- AT = Artificial Turf
- T = Turf

"AT" fields are Artificial Turf. This means no metal cleats, no food or drinks other than water. Footwear must be cleaned on mats or the boot scrapers provided outside the entry gates before the players enter the field. No screw-in stud footwear are allowed, including metal or plastic studs. This rule will be strictly enforced.
