### **3 President's Report:**

- KLM had a great year and looks to continue to build next year
- Our Tykes program under the leadership of Senior Coach Jane Graham continues to grow and the health of our House League is moving in a very positive direction
- The U18 Santos and U17 Vikings played in the Pioneer Cup final with the Santos losing in penalties and the Vikings winning in penalties
- U14 United were able to make quite a run in the Coastals before being knocked out but not before upsetting the heavy favorites VAFC Gold1 team
- U14 Mustangs are headed to the Provincial B tournament in July and will be our 2<sup>nd</sup> team in 4 years to accomplish that (not bad for a little club from the east side!)
- The growth of our Community Kicks Program has been remarkable. Last year our enrollment was 27 and this year it was 106 with 86 being new players to KLM
- Our Fantasy 7 Aside league run at Hillcrest for U12-U15 Boys was a big hit and we were able to populate that program in just 2 days. We have received nothing but incredible feedback from the players
- Our soon to be U11 Girls Gold team has the honor of adding Coach of the Year to their resume and we are all excited to see them play this year. They just played against the Whitecaps UBC Prospects program and made a very good account of themselves
- Thanks to all the coaches, staff and people who have volunteered their time for the benefit of all the players in KLM

### **4. Treasurer's Report:**

- The 2017/2018 Final Statement as well as the 2018/2018 operating budget were presented by John Prasad and copies made available to AGM attendees.
- KLM's current financial statement has a total balance of \$ 39,989 and ran a deficit of \$19,457 for the 2017/2018 season. The projected deficit is predicted to be approximately the same for 2018/2019. Major expenses incurred were for club administration and coaching/training.
- Question from floor: why were there increases in cost of club administration?  
Answer from Louise Seto: because of volunteer burn-out, the club decided to increase paid administration positions which should lead to increased stability for the club

- Question from the floor: please explain the increased costs for coaching/training. Answer from Ray Goldenchild: the club is subsidizing the cost of programs for the youngest players in order to incentivise them to join and stay with the club
- Question from the floor: why was there a decrease in uniform costs? Answer from Ray Goldenchild: the club is purchasing cheaper alternatives to save money and therefore uniform costs should continue to stay down. At some point the club may purchase more expensive uniforms that are longer lasting but only for the older players
- Question from the floor: why is there a projected loss for next year? Answer: Because 3 U18 teams will age out and because U11 and U12 girls teams have left the club, it is projected that there will be fewer players registered next year (projected to have ~520 kids). However, the programs that KLM offers are breaking even.

Louise Seto moves to accept the budget, seconded by Beatrice Tam. All in favour. Motion carried.

### **5. Vote on New Constitution**

- KLM constitution was revised and updated according to the BC Soccer template and has been posted on the KLM website
- Question from floor: what were the major changes made to the KLM constitution. Answer from Louise Seto: 1. Who/what constitutes a member and 2. Reflects changes in society act (eg. Notifications of AGM, election rules such as only half the board may be elected at a time etc)
- Louise Seto proposes motion to accept new Constitution, seconded by Chanel. All in favour. Motion carried.

### **6. Minutes of 2017 AGM**

The minutes of the 2017 AGM were reviewed. One typo concerning the spelling of a name was noted. Louise Seto proposes motion to correct mistake. Louise Seto proposes that the Minutes of the 2017 AGM be adopted, seconded by Gurdeep Suman. All in favour. Motion carried.
