

Diversity and Inclusion Policy

KLM Soccer Association is committed to creating a welcoming and safe environment for all our participants. We strive to remove barriers and foster a sense of community for players, parents, coaches, referees, and everyone else alike.

We welcome and encourage diversity throughout our club which includes but is not limited to, differences in race, gender, socioeconomic status, ancestry and religion. KLM Soccer Association recognizes that not all individuals are offered the same advantages and opportunities. Our club works to ensure all who wish to participate are given the resources or tools to do with ease.
